Keith	Fri 15 th June		Robe	Thur 7 th Nov

Lower South East Women's Stableford Competition

Rd 1	Mount Gambier	Mon 14 th Oct	Rd 4	Penola	Mon 11 th Nov
Rd 2	Millicent	Mon 21 st Oct	Rd 5	Beachport	Mon 25 th Nov
Rd 3	Blue Lake	Mon 28 th Oct	Rd 6	Naracoorte	Mon 9 th Dec

SE Women's District Committee Meetings

Oct 23rd at Naracoorte

Golf SA Events

Golf SA 78th Women's Country Week: 23rd, 24th, 25th July

- Silver Salver - Stroke 0 – 20 Robe
- Bronze Salver – Stableford 16.1 – 25.4 South Lakes
- Bronze Shield - Stableford 21.5 - 32.0 Barmera
- Bronze Plate – Stableford 28.1 -54.0 Barmera

Handicap Range and Format Changes

Please note the changes to the Bronze Salver and Bronze Shield handicap range and change in format from Stroke to Stableford. Golf SA feel that the change from Stroke to Stableford in all categories other than the Silver will be a more appropriate and popular format for players with handicaps in excess of 16.0.

By increasing the range of handicaps in the Bronze Salver and Bronze Shield by 4.0 this will allow for more friends to be able to travel together to the same venue.

Furthermore there is now a handicap range overlap between Bronze Salver, Bronze Shield and Bronze Plate which will also provide some increased flexibility for players.

2024 WOMEN'S EVENTS

Sat 22nd Stableford (side Comp- Modified Stableford)
Sat 29th Stableford – **1st Round Captain's Trophy**

Side Competition explanations

Mystery 6: Calculates players stableford points for a predetermined random 6 holes. Highest score wins.

Multiplier Stableford: Stableford points scoring in pairs. Players points are multiplied together on each hole. I.e P1 3 points x P2 2 points = 6 points. If either player has 0 points, they will return a hole score of 0.

Modified Stableford: Stableford scoring with alternative scoring. I.e nett eagle (6 points), nett birdie (4 points), nett par (2 points), nett bogey (1 point), nett double bogey (-1 point)

Par Plus: Normal par but nett 2 under scores double +

Split 6's: Stableford points scoring in pairs. Best score for holes 1-6, aggregate for holes 7-12 and scores multiplied for holes 13-18.

Sweepstakes: Randomly draws a player from the field. Can be used as a substitute when no one has won a trick shot or as a stand alone prize.

Explanation of Events

Stroke: Every shot counts, penalties apply. Nett score is gross score subtract the handicap.
Eg 93 – 22 = nett 71

Par: Played to handicap. Players either win, lose or halve a hole based on par being a half. Any score under is a win and any score over par is a loss.

Stableford: Scoring is based on bogey 1pt, par 2 pts, birdie 3 pts, eagle 4 pts, albatross 5 pts taking handicap and hole index into consideration.

Pinehurst: Teams of two players. Teammates switch balls after their tee shots, select the one best ball after their second shots, and then play alternate shots until the ball is holed.

Ambrose: All players tee off, the best shot is selected and all players hit again from that same spot. The best second shot is selected, and all players hit from that same spot, and so on until the ball is holed. This event is played to handicap. 4 players – total handicap divided by 8, 3 players divided by 6, 2 player divided by 4.

Foursomes: Two players play as partners and use one ball. The partners hit off alternately from the tee and thereafter hit the ball alternately during the play at each hole. Scoring is done as for a stroke round and the total is subject to a deduction of half the partners' aggregate handicaps.

Aggregate Stableford: Players combine stableford points at the end of the round.

Four Ball Stableford: Teams of 2 each playing individually. Each player's score is recorded at the end of each hole, and the best score is counted for the team.

Lone Ranger: Lone Ranger, also called Money Ball, Yellow Ball or Pink Ball, puts the onus on one player per team per hole to come through with a good score. Players in a group of four rotate as the "Lone Ranger;" on each hole, the score of the designated Lone Ranger is combined with the scramble score of the other three team members for the team score.

Match Play: In match play, each hole is a separate competition. The player with the fewest strokes on an individual hole wins that hole; the player winning the most holes wins the match. With handicap, the lower handicap is subtracted from the high handicap. The higher handicap then gets an additional shot on the indexed holes resulting from the subtraction ie, 23 and 17. The 23 handicapper gets an extra shot on holes indexed 1-6.

Par Bisque: A variation of a par round. Players will determine their handicap stroke allocation for a hole after playing that hole. Allocation of handicap strokes will cease once the player's full handicap has been used.

Flag Competition: Individual stroke round. First playing group to start the round carries the flag. When the player has played the number of strokes equal to the par of the course plus his handicap, he places a flag in the course at the point where the ball lands. The next player with strokes available to them picks up the flag and continues until he/she uses their allotted strokes. The winner is the player who goes farthest around the course with the allotted number of strokes.
